## Welcome Message

**SELFLESS MISSIONS** is the heart of Jesus Christ and it's the theme of our annual ANOINTED TO GO Missions Conference 2017. For 14 years, Calvary Assembly of God has given millions of dollars to missions and been part of planting over 200 churches in China, India, East Timor and Brazil. Those kinds of missions activities require Christians and churches to be **SELFLESS**.

This year's awesome lineup of speakers will inspire you to do **SELFLESS MISSIONS**. Pastor Dishan Wickramaratne of People's Church, Sri Lanka has been SELFLESS with his own life in growing his church to over 10,000 attendees. Rev. Dr. Cheryl Taylor of AGTS has taught missions for over two decades and will be SELFLESSLY joining the missions field to oversee the missions training in the entire continent of Africa. Pastor Roger Huang of San Francisco City Impact and his entire family have been SELFLESS in reaching

out to the inner city. Pastor Mike Palompo of New Hope Central Oahu has SELFLESSLY transformed an inward church to one that's outward in giving and going. Rev. Jhan and Iris Hurst of Think a Minute Ministry continue to be SELFLESS in reaching out to the world's multitudes. Rev. Paul and Deborah Hilton of Australia AOG have SELFLESSLY put their lives on the line in healing the handicapped in Vietnam. Pastor Joe Hunkin of the Hawaii Assemblies of God with a SELFLESS heart has transformed the city of Waipahu by blessing the unblest.

Getting excited? Want Spirit-driven purpose in your life? Register quickly! This conference will anoint you to go, to do **SELFLESS MISSIONS!**

In His grip,

Pastor Terry Wong
